# Butter for these gifts

This little number by The Lake & Stars, with its pretty satin ribbons and pool black piping, technically work for a night (The Lake & Franklin romper, \$220, [azaleasnyc.com](http://azaleasnyc.com)).

Not into girly frills? These jersey shorts with silk satin piping and gold stud buttons will be the trick (Brulee collection boy short, \$56, [brulee.net](http://brulee.net)).

7 Rhubarb, red currant, watermelon and sandalwood are just some of the notes making up this light floral fragrance, which, believe it or not, is unisex (D & G 3 L'Imperatrice, \$65, [www.macys.com](http://www.macys.com)).

8 Decorate the place with your love and these screen-printed Valentine's Day cushions (The Old Village Hall pillows, \$20, [www.theoldvillagehall.com](http://www.theoldvillagehall.com)).

9 Texts kill romance. Pour your heart out in a card instead (Great Lakes card, \$4, [www.thegreatlakesgoods.com](http://www.thegreatlakesgoods.com)).

10 Cupid from Kamibashi's hand-made string doll gang will keep your love safe (Kamibashi string doll, \$10, [www.kamibashi.com](http://www.kamibashi.com)).
