# DON'T SAY IT WITH FLOWERS

Louis Vuitton

### LOUIS VUITTON PORTA MONNAIE LAPIN POMME D'AMOUR:

Possibly the cutest change purse around. This is a good gift for the person who has everything — except for a Louis Vuitton bunny. Approximately \$500, Beverly Hills.

Valentine's Day doesn't have to be the shopping equivalent of a Hallmark moment. There's no law that mandates the purchase of red roses that don't fully bloom or chocolate samplers or light-up heart key chains. ¶ Feb. 14 can provide an excuse to show a little style when giving to the object of your affection. Let our gift guide provide some inspiration.
