All The Rage

Our faves for love and loss

BY Anna M. Park

-1- LOVE AID

All outta love? How about a little help from a pocket-size love mascot? Handmade in Thailand by a fair trade cooperative, members of the Kamibashi String Doll Gang each serve their own purpose—from stealing hearts to mending a broken heart. Think of them as reverse voodoo dolls. (\$10 each; www.kamibashi.com)

-2- GET SAUCED

Forget Black Day (South Korea's April holiday for singles). Who can wait a whole two months after having your heart crushed by your unresponsive, unrequited *jjak-sarang* (one-sided love)? Eat *jjajangmyeon* now. Just be sure to consume the noodles in the privacy of your home. Salty tears and black bean sauce do not mix. (\$1; www.hmart.com)

-3- BEST FOOT FORWARD

Single and stunning? Strap this sexy, flirty number around your ankle and paint the town red—or rather, pink (\$214; www.jinnykimshoes.com). And if you plan to hit up the clubs, Lisa Ma's ScandalLush gel insoles will help you dance the night away. Because revenge is not best served cold...it's when you're hot. (\$12.99; www.scandalush.com)

-4- BURN BABY

A box of chocolates is so '92. And didn't your sweetie swear 2010 would be the year she'd put an end to the *ddong-bae* (pot belly)? Don't sabotage. Seduce! Godiva, renown for their sensuous chocolates, have now captured their essence in a drool-inducing candle. Scents include black almond truffle and raspberry ganache. (\$22.50; neimanmarcus.com)

-5- TICKLED PINK

Johnny Walker again? Be original. Not only is Rosangel sugar-free, it's infused with hibiscus flowers, known for their health and beauty benefits, and comes in this elegant rose blush bottle. It'll almost make you forget that you're drinking tequila. (Cuz you want to be classy when you're downing shots.) (\$36.99; www.rosangel.com)

-6- SPECIAL DELIVERY

In the beginning, there was a fig leaf; now, it's dirty boxers. But a Blacksocks underwear subscription ensures your man always has a fresh pair delivered to his door. Men can choose boxers or briefs made from fine cotton. Now that's a gift for him—that's really a gift for you. (Annual subscription starts at \$87; www.blacksocks.com)
