1. Pottery Barn Kids has rolled out their new costumes along with some of their previous best sellers. We simply adore this cow costume...it is udderly fun! Constructed of plush polyester, it will keep your little one warm and comfy. View the entire collection at PotteryBarnKids.com.
2. As equally stylish are the costumes at Babystyle. Their high-quality construction, soft and comfy fabrics and easy-on zippers make these costumes a favorite all year. We love their Rule the Rooster Costume with its bright, bold colors and fuzzy wings and tail. View their collection for infants through toddlers at Babystyle.com.
3. [The String Doll Gang](#) is handmade in Thailand using one continuous piece of string. These tiny little companions are perfect for a little Halloween décor (check out their Christmas collection for ornaments).
4. Emily Allyn created these adorable pumpkin tees made of premium quality combed cotton that is comfortable and durable. Emily Allyn creates sweatshop-free tees that are stylish, fun, humorous, and unique. Choose from adorable designs like peanut, monkey and sweet pea at EmilyAllyn.com.
5. This fun appliquéd Halloween tee by [Liliputians NYC](#) is simply adorable. The black tee is adorned
