Show 'em you know 'em this Valentine's Day with the String Doll Gang

Know anybody who's a wee bit high-strung? A tad tightly wound? Just stringing you along? Wanna show them you care—or that you're on to them—on just a shoe-string? Surprise them with a **String Doll** from the **String Doll Gang** courtesy **Kamibashi**.

Alter-ego, buddy, hero, inspiration—each of these pint-sized cuties is an original whimsical work of art (handmade and fair trade) and costs only \$ 10.00. Made from one continuous piece of string, these quirky characters come equipped with a lobster-claw key ring so your sweetie or so-and-so will always be reminded that you've got them pegged.
