modern green design for kids and babies

Kamibashi Reusable Freak-O-Bags

by Julie Knapp, 05/01/10

By now you've probably amassed a good number of [reusable grocery bags](#), but here's one more worth adding to your collection — that will get your kids in on the green action too. **Kamibashi Freak-O-Bags** start as quirky and colorful Asian art-inspired characters and unfold into sturdy, 16-inch square bags. Each one comes with a carabiner clip so you can hang it on the stroller for your little one to play with or ogle on the way to the store. North Carolina designer Julie Armbruster created these novel [Fair Trade](#) bags, some of which she makes herself, and some of which are handmade by a family in Thailand.
