Shiloh shows no signs of changing her obsession with being a little boy and while Angeline thinks it's great, is Brad worried about bullying?

Shiloh Jolie-Pitt showed off the cut while out with her siblings and mother, **Angelina Jolie**, on January 22. In the August issue of *Vanity Fair*, Angelina explains the short style, saying, "She wants to be a boy. So we had to cut her hair. She likes to wear boys' everything. She thinks she's one of the brothers."

While Angelina seems all for the look, *Life & Style* reports that sources say **Brad Pitt** is concerned that other children will tease Shiloh. Poor Brad, it must be so hard for a parent to have to be concerned about his child being bullied!
